| | |
|---|---|
| STORE | STORE, STORE, then ENTER, to save the preset. |
| TYPE | Pick the type first: it loads its own start values. |
| MATCH | Tone Match after the Cab, OFFLINE for a recording. |
| TIGHT | Input EQ Low Cut tightens a high-gain amp. |
| CPU | Stay under about 80%, bypassed blocks count. |
| RIG | Into a tube amp: Cab and Power Amp Modeling off. |
